Unlock the Magic of Digital

Data Engineer (f/m/d)

Wattens, Austria

At Swarovski, where innovation meets inspiration, our people desire to explore, experience and create. As a Data Engineer (F/m/d) you will get a chance to work in a rewarding role within a diverse team that is pushing boundaries. Be part of a truly iconic global brand, learn and grow with us. We're bold and inventive, revealing astonishing things like no one else can. A world of wonder awaits you.

About the job

- Designing and building scalable and robust data pipelines, spanning from the landing zone in GCP to the consumption layer, to transform and load data from the landing zone into our data lake house
- Collaborating with cross-functional teams to understand data requirements and to translate them into technical Solutions
- Optimizing and fine-tuning data pipelines for efficiency, performance, and scalability
- Implementing data quality checks and monitoring processes to ensure data accuracy, consistency, and completeness
- Working closely with data scientists and analysts to provide them with the necessary data and tools for analysis and reporting

About you

We are looking for a unique and amazing talent, who brings along the following:

- Bachelor's or Master's degree in Computer Science, Engineering, or a related field
- 5 years of hands-on experience in data engineering, building and maintaining data pipelines and systems
- Strong proficiency in GCP (Google Cloud Platform), including services such as BigQuery, Dataflow, Cloud Storage, and Pub/Sub
- Solid programming skills in languages like Python, SQL

What we offer

- Voluntary Leave
- Product discounts etc.

Masters of Light Since 1895

Swarovski creates beautiful crystal-based products of impeccable quality and craftsmanship that bring joy and celebrate individuality.

Founded in 1895 in Austria, the company designs, manufactures and sells the world's finest crystal, gemstones, Swarovski Created Diamonds and zirconia, jewelry, and accessories, as well as crystal objects and home accessories. Together with its sister companies Swarovski Optik (optical devices) and Tyrolit (abrasives), Swarovski Crystal Business forms the Swarovski Group.

Swarovski is an equal opportunity employer. We give our people the guts to celebrate individuality and pride ourselves on creating a workplace where people feel involved, respected, valued, connected, and heard.
