

# Multimedia Content Creator (m/f/x)

Permanent employee, Full-time · Innerspace / Innsbruck

## ROLE DESCRIPTION

Join our team as a Multimedia Content Creator and become an integral part of our innovative efforts to expand and showcase our solution portfolio. This position is tailored for a creative and dynamic professional who thrives in designing and developing multimedia content that serves both educational and marketing objectives. Your creations will not only educate but also engage our target audiences, playing a pivotal role in demonstrating the value and capabilities of our solutions.

## CONDITIONS AND BENEFITS

- A minimum gross salary of 38.000 € per year (for full-time, overpayment possible)
- Flexible working time and the possibility to work from home
- Permanent full-time contract (38,5 h / week)
- A modern office in Innsbruck, in the middle of the Alps
- Starting date as soon as possible
- Mobility package (1-year ticket for public transport in Tyrol or a parking space near the office)
- Free English courses with your team colleagues

## RESPONSIBILITIES

- Design and develop engaging multimedia content for blended learning courses, including videos, PowerPoint presentations, and images, ensuring alignment with educational goals and objectives.
- Create compelling marketing materials, such as flyers and catalogues, that effectively promote our solution and resonate with target audiences.
- Collaborate closely with the product team and subject matter experts to ensure the accuracy and relevance of content.
- Actively solicit and incorporate feedback from stakeholders to continuously refine and enhance multimedia content.
- Keep abreast of the latest trends and advancements in multimedia content creation and e-learning technologies, applying this knowledge to innovate our content development process.

## SKILLS

- Demonstrable experience in multimedia content creation, supported by a portfolio showcasing expertise in content development and graphic design.
- Strong proficiency in graphic design, with a keen eye for aesthetics and a deep understanding of graphic design principles.
- Expertise in using Adobe Creative Cloud (CC) and Canva for designing and editing purposes.
- Experience with e-learning content authoring tools, particularly Articulate 360, is highly valued.
- Ability to work effectively both independently and as part of a collaborative team to meet tight deadlines.
- Exceptional attention to detail with a commitment to producing high-quality and impactful work.
- Excellent communication skills, capable of articulating ideas clearly and effectively in both written and verbal forms.

## YOUR MUST HAVES

- Speaking English
- Working with people who are not physically present/remote workers in different time zones
- Having accountability and responsibility
- Taking ownership
- Work independently and not on demand
